FOR MYSORE STATE

Revenue Department.

Memorandum No. 51587 M/53-1 dated 19-6-1953.

Act - The Indian Stamp Act - Adaptation of Laws Order 1950 - Further Amendments.

From the Board of Revenue Ref.L.2893/53-1 dated 6-5-53.

The Government observe that the list of amendments to the Indian Stamp Act proposed by the Board of Revenue in its reference quoted above proceeds on the assumption that references to 'British India' still occur in that Act. This assumption is not correct. After the transfer of power in 1947, the Government of India have altered the reference to "British India" into a reference to "Provinces" - vide para 3(2) of the Indian Independence (Adaptation of Central Acts and Ordinances) Order, 1948. This reference to 'Provinces' was in turn altered into a reference to 'States' by the Adaptation of Laws Order, 1950. The same order inserted a definition of 'States' in the Stamp Act as meaning the territories for the time being comprised within Part A States and Part C States. The Board of Revenue is therefore informed that none of the amendments proposed by it in its reference cited is necessary.

I am an Ex- Servicemen and a resident of Hospet Town. My application, S.No.318 A/1 of Malapanagudi village measuring 3.62 acres was assigned to me temporarily under G.M.F. rules for fasli 1356 in Collector's D.Dis.5200/46 A.O. Dated 22-7-46. The permission was extended for Fasli 1357 also in Revenue Divisional Officer's L.Dis.7655/47 M. Dated 23-12-47. After the assignment ban was lifted I applied for the assignment of the land under G.O.No.1523. My application was forwarded for necessary action to the Sub Collector Hospet in Collector's L.Dis.C.No.5917/50 Dated 24-4-50 While it is not known what has become of my application for assignment, I learn that the land has since been assigned to a Political sufferer who does not belong to this District. As a result I have been obstructed under cultivation as I have done during the past 5 years.

In this connection I beg to bring the following facts to the sympathetic consideration of the Collector and address the Board of Revenue , if necessary to

the land was not fit for cultivation when I first took it up in Fasli 1000 and I have since reclaimed the land at a considerable cost of Rs. 2000/- and more. For these days I was getting a Military disability pension of Rs. 15/- As further disability pension has not been allowed to me have no other profession to dep[illegible]pt. the cultivation of the above land. I have already sown paddy seedlings this year.

Therefore I request the Collector to order for the assignment of the above land in my favour.

Yours faithfully,
